

The Polish Language Experts

**IT Translation**

## Introduction

Wratislavia Translation House is a professional translation agency, seated in Wrocław, Poland, specializing in business, economic and IT texts, in particular in the field of SAP solutions and software.

## Mission

Providing professional translation services within time and budget and supporting our clients in making the right decisions during the whole translation project.

## IT translation

Our agency has a long experience in providing translations in the information technology industry area. Our clients include numerous IT companies – both software manufacturers as well as implementation and consulting companies.

## For our clients, we provide:

### Translation of software

- ERP, CRM, SRM systems
- data warehouses and knowledge warehouses
- industry-specific solutions
- e-business solutions

### Translation of additional materials

- user guides and manuals
- help systems
- technical documentation of IT systems
- e-learning trainings and materials

### Translation of documents relating to operations of IT companies

- offers of implementation and consulting services
- software-related agreements
- price lists

## Specific features of IT translation

The translation of IT texts can be done only using specialized translation software. This ensures the translation consistency and enables working with many files simultaneously.

IT translations are checked for quality pursuant to the quality policy applied in our agency.

## Translation languages

Due to the specific nature of the IT industry, we make IT translations in English/German Polish language combinations. Our team has a long experience in IT translations from these languages into Polish.

We can also offer you IT translations into other European languages.

## Cooperate with us

Our agency has the longest experience on the Polish market in translating specialized SAP systems related materials. The professional team of experienced translators ensures a high quality and timeliness of the translation service provision.

## SAP Certification

Our agency is an SAP Certified Translation Vendor of translations from English and German into Polish.
